

# Cwm Gwyddon ESU & CRAI Media Squad

## Consent for photo/video use

During Scouting activities at Scout Groups and Explorer Units in CRAI District, our volunteers will often take photographs of adults and children taking part in our activities. These photos have many uses, from showing evidence of the volunteer's training, right through to publicising the great opportunities that our young people get from Scouting.

You may have already given consent for photographs to be taken and used by the unit, but may not have been fully aware of the extent as to how your unit and the local Scout District would like to use such photographs, and so wanted to make sure that you are comfortable.

Local volunteers often share images with volunteers working in other sections or groups locally, or with our district Media Squad. We will sometimes select images to use on our Social Media, Website, Signage, Banners, Press Releases, Funding Applications, or other printed or online publicity.

We request your explicit consent for us to take photographs of you/your child at Scouting activities, and for those photographs to be stored on our secure online storage for use by your Explorer Scout Unit and by the CRAI Media Squad. There is a Media Squad representative in each group, whose responsibility it is to select appropriate photographs. At district events, members of the Media Squad will be easily identifiable.

Should you have any questions or concerns, please don't hesitate to approach your Explorer Scout Leader or District Explorer Scout Commissioner.

### Subject consent

I give volunteers of Cwm Gwyddon ESU and CRAI Media Squad SAS Unit, on behalf of CRAI District Scout Council, permission to take, store and use any image/video featuring me (or my child) engaging in Scouting activities, and any reproductions or adaptations of any image/video for fundraising, publicity or other purposes to help achieve the aims of Scouting locally. This might include (but is not limited to), the right to use the image/video in their printed and online publicity, signage (including banners/flags), social media, press releases and funding applications.
